# Discover Our Vision

## WHAT MAKES US SOAR? .....

Santa Monica Flyers is the home of Southern California's premier flight school and aircraft rental center. We use the most advanced aircraft available to provide world class training in aircraft that are safe, fuel efficient, ultra modern and downright sexy. Our friendly and professional flight instructors will guide you through the entire process of learning to fly, making the process easy, fun and safe. Santa Monica Flyers is the perfect place for all levels of experience from first time flyers to high time jet pilots.

## Learning to fly doesn't have to be expensive!

# Learn to fly with us

## WHY CHOOSE US? .....

Santa Monica Flyers was started with one goal in mind: to provide safe, affordable and modern flight instruction to the Los Angeles area. If you compare our aircraft with those of our competitors you'll notice our fleet is far newer and less expensive.

## OUR FLEET .....

N353MV: Cessna Skyhawk (172S) - 180hp - \$185/hr.

N974TA: Cessna Skyhawk (172S) - 180hp - \$167/hr.

N796SP: Cessna Skyhawk (172S) - 180hp - \$157/hr.

N172EP: Cessna Skyhawk (172) - 160hp - \$145/hr.

N9378D: Cessna Cutlass (172RG) - 180hp - \$185/hr.

N7348X: Cessna Skylane (182RG) - 235hp - \$235/hr.

N726EG: Cirrus SR20 - 200hp - \$220/hr.

## HOW LONG WILL IT TAKE? .....

This varies depending on each student's availability. Provided regular training 3 - 4 times per week, by an average learner, the Sport License generally takes 3 - 6 months and the Private License 6 - 9 months.

## AVAILABLE RATINGS .....

Santa Monica Flyers offers training for Sport, Private, Instrument, Commercial, CFI, CFII and ATP. We're also able to provide training for complex and high performance endorsements.

## HOW DO I GET STARTED? .....

Call us today to book an Introductory Flight with one of our Certified Flight Instructors who will happily answer any questions you have!
